Workshops

Workshop: The Art of Theremin Erik Strommen

Demo Lab, 2:00 to 4:00 p.m. The Theremin is an otherworldly electronic instrument that is played without being touched. Since its invention in the 1920s, its distinctive sound has been used in sci-fi films and symphonies, and in rock music by artists such as the Beach Boys and Fishbone. Educator, developmental psychologist, and aspiring thereminist Erik Strommen explains and demonstrates how to use this fascinating instrument.

Time: 2:00 PM - 4:00 PM
Venue: Demo Lab (In Sound Lab)
Ticket Info: Free for members, free with paid museum admission

Open Mic Night

This is your chance to test the waters of music stardom. Every Sunday, EMP's Liquid Lounge hosts Open Mic Night. A full back line, with keyboards, is provided; just bring your guitar, horn, or vocal chords and sign up. Bands are encouraged to participate, and drink specials should fortify even reluctant performers. Sign in is from 7:00 to 8:00 p.m., with music from 8:00 p.m. to midnight.

Time: 8:00 PM - 12:00 AM

Venue: Liquid Lounge

Ticket Info: No cover. 21 and over
